

**Future wild lake** purchases have a very limited and ever decreasing pool from which protection can occur. The following list has known wild, single owner, or group-owned lake and lake clusters that have outstanding qualities. Let's hope that either through enlightened conservation owners or sale to protection organizations most of these waters will be available for future generations.

- Pine-Apeekwa – Iron and Vilas counties
- Beaver-Holmes – Sawyer County
- Big Crooked cluster – Vilas County
- Coleman-Moon – Marinette County
- Hunting – Burnett County
- Buffalo – Burnett County
- Upper Twin – Burnett County
- Gaslin – Burnett County
- Taylor – Burnett County
- Goose – Burnett County
- Fenton – Washburn County
- Dugan – Washburn county
- Baker – Washburn County
